

Cheerleading Tryout Requirements

Student must meet all academic standards as set forth by the MCSD and GHSA. They should be on track to graduate with their class and have passed three of four classes for the last semester. (This is based on grades from December 2006, students who become ineligible in May will not be able to cheer nor refunded any money. Items will already have been ordered)

Students should be in good standing with their class, other coaches and teachers. All duties completed/class officers, representatives, etc. If participating in another sports, all monies should be paid in full, uniforms and equipment turned in, etc.

Students should have a discipline record clear of any major infractions or out-of-school suspensions for:

Profanity towards teachers

ISS violations

Derogatory gestures

Drugs

Alcohol

Smoking

Fighting

Threats

Weapons

Theft

Major classroom disturbance where instruction was halted

If you have violations that fall under these categories you are ineligible to tryout for cheerleading.

Students should have a good attendance record.

Each of these items will be researched for each girl wanting to tryout. No exceptions will be made.
