

## Class of 1984 Reunion Update

Hello Class!

Just wanted to send out a quick reminder that we are still needing some help in the following areas for our 25<sup>th</sup> Year Reunion for the summer of 2009. Please look this over and reply so that I know your addy is a working one and that we can count on you.

1. **Locating classmates:** We have confirmed over 100 classmates' addresses or email so far! That's a great start, but we know that there are more around town that we have not been able to find yet. Please help!
- 2) **Planners wanted:** We need a dedicated group of individuals who can correspond, communicate, plan and help pull this event off. Any volunteers?
- 3) **Website in the works:** Earthlink is absolutely awful to deal with so I am in the process of building a new site on Embarq. Until I notify you, please contact me through this email addy, a phone call (352-383-2964) OR Shaw's Homepage (google it). Our new site will have updates a plenty.
- 4) **Your contact info:** A few of you have sent me your address, phone #, spouse name, etc. This info will be for my database only and will NOT be given out to any other classmates without your written permission first.
- 5) **Reunion Options:** Last category, I promise. Would you like to have our reunion ....
  - \* in Columbus
  - \* in Atlanta
  - \* in Orlando (Mickey Mecca) OR.....
  - \* on a cruise????(I'll be sure to keep a tally of the votes and let you all know)

That's it. Thanks for your time!

Looking forward to hearing from each and every one of you!

Tracy Foster Draper :)
